Soldiers entitled to pensions under the
new law and thousands now getting
less than 12 dollars entitled to increase
to twelve dollars under the act of June
27th 1890.

Mother or father of any deceased
soldier is entitled to a pension of \$12
per month if soldier died in service, or
since discharge, of any disability con-
tracted in the service and left no
widow or minor child, provided that
the parent or parents have not, at the
present time, sufficient means for their
support from their own manual labor
or contributions of others not legally
bound to support them. All widows
under this act are entitled to from \$8
to \$12 per month, minor children to \$2.
Comrades, I shall make an effort to do
you good at the least possible cost to
you. I ask no advances from claimants
whatever for postage or expenses, no
fee until claim is allowed and then
simply the regular fee. The legal fee
for securing any pension under the act
of June 27th 1890 is \$10.

I ask you to sign no fee contract and
will prosecute any claim for original
Invalid claim for \$10. Increase claim
on disability for which you are now

Soldiers' Attention!

The new pension bill under act of
June 27th, 1890, has become a law, giv-
ing from \$6 to \$12 per month to every
soldier who has served ninety days and
who is disabled from any cause, no
matter whether he contracted his disabil-
ities in the service or not. Every
soldier who is now prosecuting a claim
for pension, or who is now drawing a
small pension less than \$6, can file un-
der the new law and is sure of getting
from \$6 to \$12 per month. Widows,
children and parents entitled. File
now as you only draw from date of fil-
ing. Fees \$10, payable only when your
claim is allowed. Twenty-six years'
practice in all the departments at
Washington.

War claims of every description pro-
cessed promptly, and successfully.
Comrades, beware of these mush-
room agencies that are springing up all
over the country offering to do your
business for half or two-thirds of the
legal fees, as many of them are not ad-
mitted to practice before the depart-
ments, and will only jeopardize your
claim.

For blanks and instructions call on
or address the old reliable,
441f CHAS. E. GALLIGAN,
Ex-Soldier, U. S. Claim Agent and
Pension Attorney. Paw Paw, Mich.

and Gorton are busily engaged in open-
ing and marking their fall stock of
clothing and getting things in shape for
the return of the Captain, who is ex-
pected soon.

J. E. Chandler, as secretary of the
Horse and Stock Fair, did himself great
credit, and is said by the directors and
others having experience in such mat-
ters to have discharged his duties in an
eminently satisfactory manner.

Mrs. L. C. Hurd entertained a party of
lunatics at her home last evening. It
was very properly styled a "crazy
social," and an outsider would have
thought that a phalanx had escaped
from the asylum and been corralled
there.

Junsaka Kanemaki will give an il-
lustrated lecture on his native land,
Japan, at the First Baptist church in

ify the selection at the polls in Novem-
ber, "and," as the Dowagiac Republican
says, "don't you forget it."

It is hoped there will be a good turn-
out of G. A. R. boys next Monday night,
the occasion being a visit to Hudson
post, Mattawan. They propose to take
their families and well filled baskets
with them. A hearty welcome and a
genuinely enjoyable time are assured.

The Allegan Gazette of the 8th inst
gives unmistakable evidence that it is
either in need of another power press
or that some of its obligations are about
maturing, with no assets in sight where-
with to meet them. This evidence is
found in a two-thirds column editorial
article attacking the Republican state
ticket and platform in language which
would have done credit to "Brick"
Pomeroy in the palmy days of the La
Crosse Democrat.

Williamson Mason was removed last
Saturday to the home of his son W. J.
where he lies in about the same condi-
tion as for the past week. He has some
little use of the muscles of the right
side, but can speak only in an indist-
inct whisper. His son Charley, from
Chicago, came last Friday, and stayed
till Monday.

A number of the young friends of
Erwin B. Taft surprised that young
gentleman by appearing at his home
last Friday evening to spend a few jolly
hours before their host should leave for
Kalamazoo to attend the Baptist col-
lege there. The attempt was success-
ful and at a seasonable time the party
merrily dispersed.

The Cleveland Bay Horse Co. and
Mr. Edson Woodman, both of this
place, had large herds of horses, the
former of Cleveland Bays and the lat-
ter of Percherons and Shetlands, at the
Detroit Exposition, and are now at the
Lansing State Fair with the same stock.
Both herds are large premium winners,
a list of which we shall publish later.

Harry McNeil, who has been reading
law in the office of Heckert & Chandler
for the past year, will take a vacation
of three weeks and then go to Ann Ar-
bor for a course in the law department
of the State University. Harry has
shown himself to be an apt student, is
a young man of excellent habits, and
we predict for him a brilliant and use-
ful future.

Miss Hattie Cleveland, of Crawford
county, Ill., came here a few weeks ago
to visit a sister. At the opening of our
public schools, on the 1st inst., she was
so favorably impressed with the looks
of things that she decided to avail her-
self of the superior facilities afforded
for educational purposes, and will re-
main a year or more in the High School
department.

A large party of the friends of Rev.
Hathaway and family met at the M. E.
parsonage Monday evening to bid good-
bye and God speed to Mr. H., as he was
to leave the next morning for confer-
ence. A very pleasant evening was
passed, and, if we are to judge by the
prevailing sentiment of the party, it is
the wish of his people that Mr. Hatha-
way be returned to this charge for another
year.

Frank S. Rawson, superintendent of
the Asylum "Brook" farm, Kalamazoo,
and Miss Jessie Osgood, of Climax, are
to be married at the home of the bride's
parents this (Wednesday) evening. The
groom is well and favorably known in
Paw Paw, having spent the greater part
of his life here, and his host of friends
will cheerfully join THE NORTHERNER
in wishing the happy couple a long life
of unalloyed happiness.

The Dowagiac Republican changed
hands on the 1st inst. Messrs. Chas. T.
Amsden and J. O. Becraft purchasing
the plant and taking immediate posses-
sion. Under this management the Re-
publicans of the Fourth congressional
district need no assurance that the
journal will continue steadfast in the
faith of the party. THE NORTHERNER
gladly welcomes Messrs. Amsden and
Becraft to the journalistic field.

Our people were shocked to hear of
the sudden death of Frank Pritchard,
which occurred at a few minutes past
six o'clock this morning. Mr. and Mrs.
Pritchard attended a social at the resi-
dence of L. C. Hurd last evening, and
deceased was in the most exuberant
spirits--indeed, the very life of the as-
semblage. They retired at about 11
o'clock. At 6 this morning Mrs. P. found
him unconscious, and in a few minutes
he was dead. Deceased was a member
of the G. A. R. and highly respected.

Mrs. Richard Setchfield writes us
from Redlands, California, under date
of Aug. 31st., giving a graphic but brief
description of her journey from Paw
Paw to that place; of how, when arriv-
ing at Denver, she heard of a washout
on the road ahead and that there was
danger, so she went to an insurance
office and had her life insured for \$2000,
thus making a sure thing of getting
through safely; of losing her train and
party at San Francisco and having to
make the balance of the journey alone;
of her finally safe arrival at Redlands
and finding her friends without difficul-
ty, of the pure, health-giving atmos-
phere of the Pacific coast; the grand
mountain scenery; the evidence of thrift
and prosperity on every hand apparent,
and that herself and Bessie were well
and enjoying themselves to the utmost.

We believe our school board and the
patrons of the school were very fortunate
indeed in securing the services of Prof.
Roberts for the coming year. The Prof.
has very able assistants in the several de-
partments and the outlook is all that
could be desired. No better evidence
of the Professor's high standing among
educators could be given than the fact
that he was recently elected to the
Principalship of the Tacoma High
Schools at a salary of \$1800, with the
assurance of a raise next year to two
thousand and strong probability of the
Superintendency in the near future at
a much higher salary. He was inclined
at first to ask a release from our board,
but after a careful survey of the situa-
tion, and realizing the difficulty likely
to be met with in an effort to secure a
successor, he decided not to do so.

The Free Baptist services on Sunday
last had the appearance of an April
day with its sun and rain, for it was
the day that preceded the going out of
six of the young people of the congrega-
tion--five young men and one young
lady--to new duties and new friends.
Five of them go into Hillsdale college
and one assumes the position of principal
in the Gobleville schools. One other
young man had already engaged in
business in Chicago, thus reducing the
ranks of the church and diminishing its
force, for nearly all were active mem-
bers of the church and the A. C. F. so-
ciety. Later in the afternoon they
gathered at the water to witness the
baptism of a young lady, newly con-
verted, who will take one of the vacant
places. The rite of baptism was ad-
ministered by Rev. Mr. Hart, of Goble-
ville.
